

25th February 2021

Dear Construction Industry Federation member,

11th International Construction Management Day Conference at GMIT

The Department of Building & Civil Engineering will be holding our annual construction conference on **Tuesday 9th March 2021**, starting at 9.00am. Due to the Covid-19 situation the event will be fully **ONLINE** this year. The event is **FREE** to attend and all members of the Construction Industry Federation will be warmly welcomed. The conference is supported and sponsored by CIF.

As usual, we have a full range of general and technical presentations. These include presentations by CIF President, Mr Frank Kelly, Director General, Mr Tom Parlon and Director of Specialist Contracting, Mr Sean Downey. A full programme is attached and can also be found here <https://www.gmit.ie/sites/default/files/public/docs/cm-cover-rev-3.pdf>

I would like to put on record my sincere thanks for the many local CIF companies who continue to support our degree programmes with student placement and research opportunities. Certificates for CIRI Points will be available by email after the conference. Additionally, I would also like to thank CIF Director Mr Justin Molloy for his ongoing support of both our GMIT built environment programmes and the Construction Management Day Conference.

If you wish to attend, simply email me at martin.taggart@gmit.ie to reserve a place. Details of the website log in will be sent to you thereafter.

Keep safe and kind regards,

Dr Martin Taggart
Construction Management Programme, GMIT
