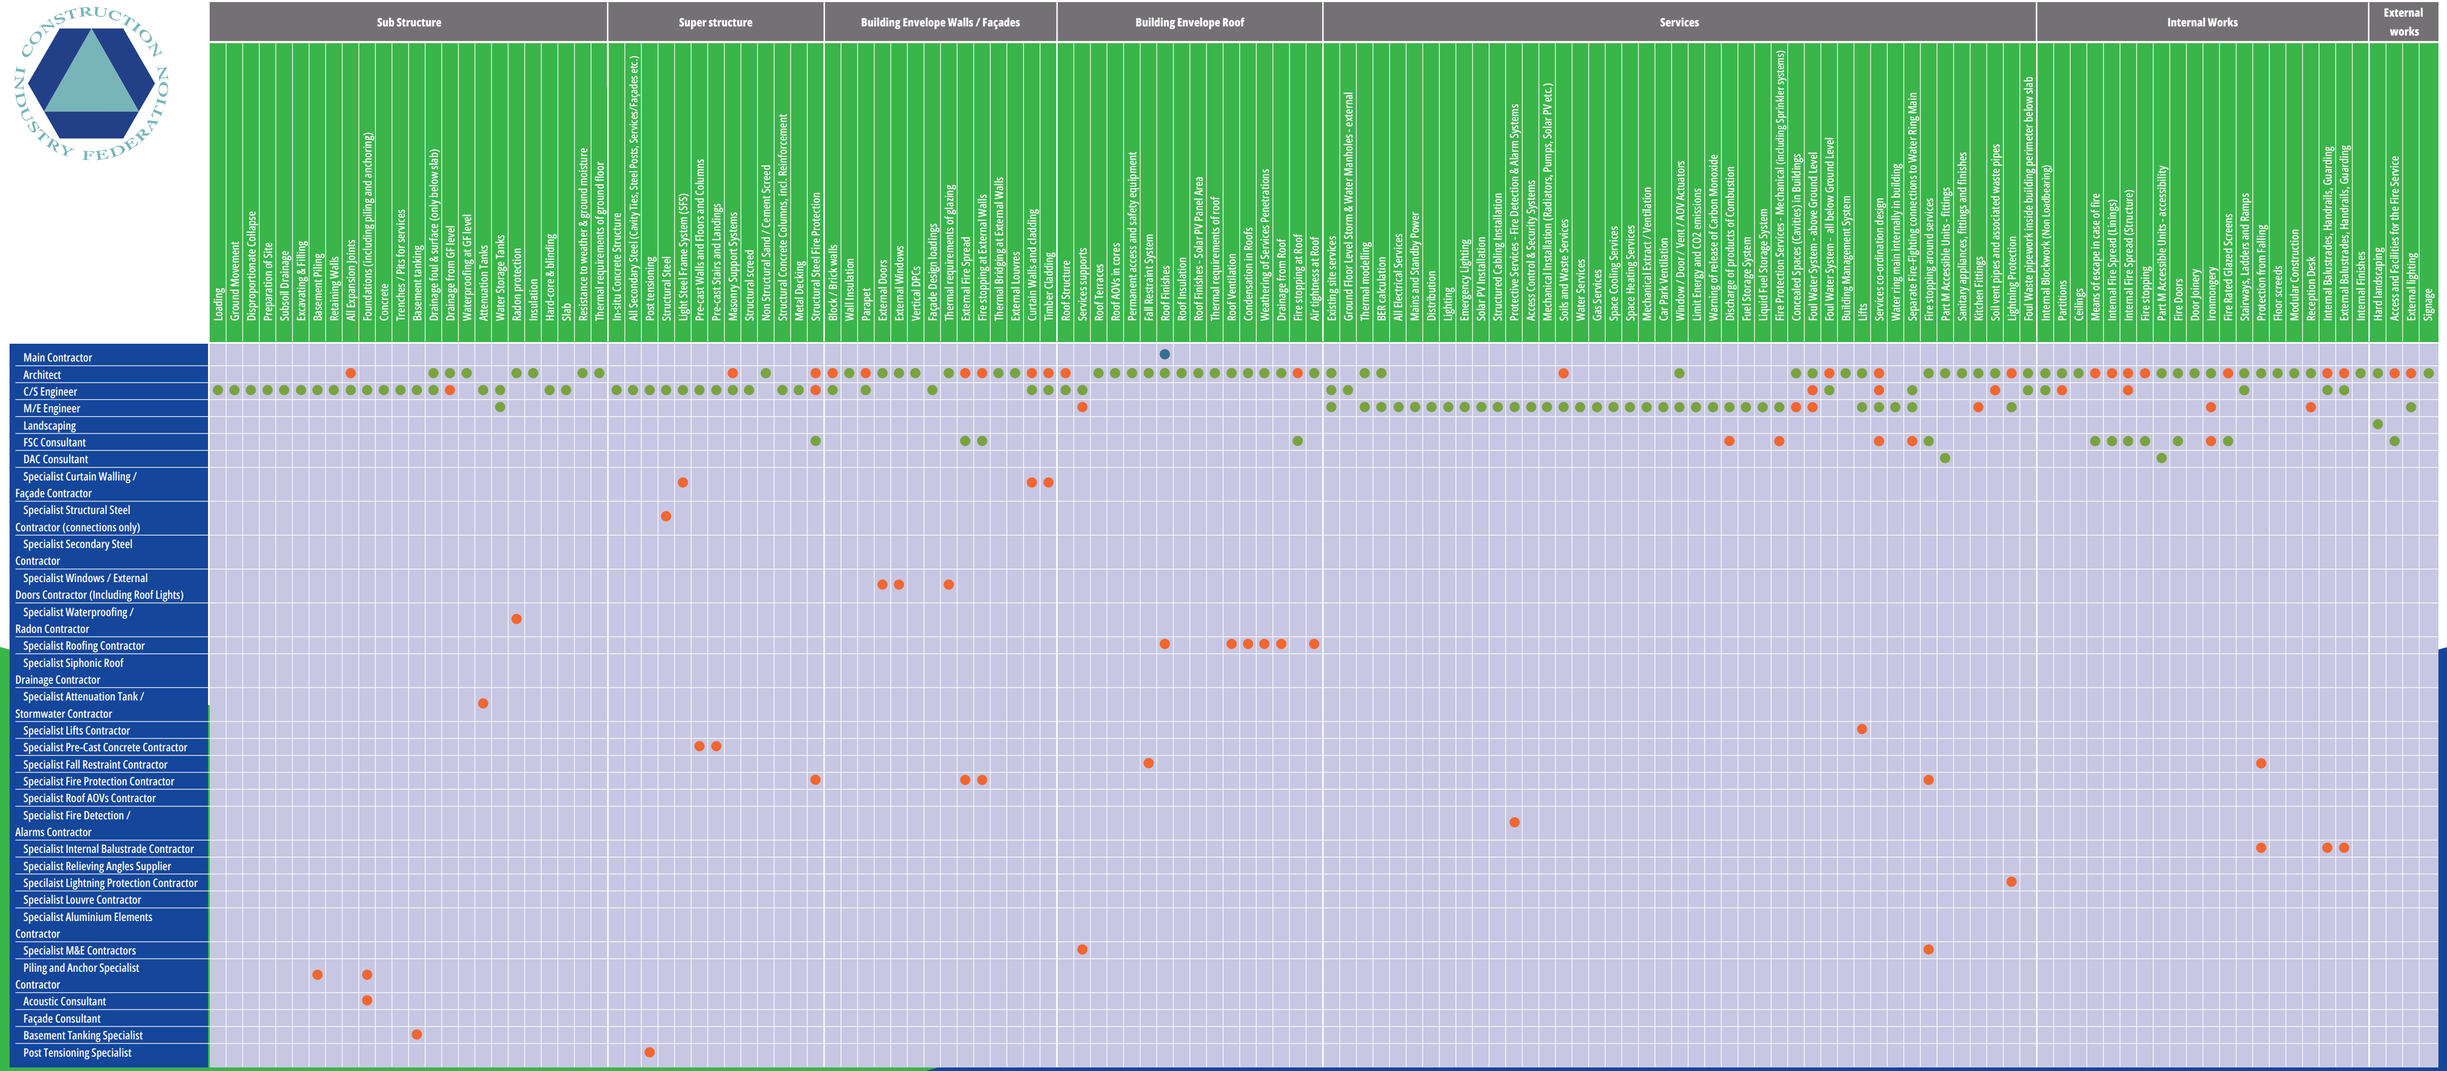
Appendix 3

Work Items

● Involved ● Responsible ● Information Sharing


This exemplar Design Matrix is for illustrative purposes only and should not be relied upon as standard contractual or legal document. The exemplar seeks to provide general guidance on what works items contractors and specialist would normally complete on a traditional employer designed contract. It should not be relied upon for individual projects, which may have specific contract conditions. It is recommended that it be read in conjunction with the Design Risk and Building Control Practice Note, particularly the sections 2 and 3 dealing with Design Risk, Design Responsibility, Performance Specifications and Contractual Matters.
