

Introduction to NEC; the case for relationship contracting and introduction to Target Cost

Date: 19th of February 2026

Time: 10 am – 11 am

Register here: https://us02web.zoom.us/webinar/register/WN_Nqxa9WT6TbivUQh6bpmaCQ

Background: The CIF's Contracting Resource Hub is hosting a joint Webinar with Pinsent Masons to provide members with an introductory overview of the NEC contract suite, the rationale for relationship-based contracting, and the key concepts underpinning Target Costs. This webinar will cover key areas such as:

- Introduction: Ethos, Role Players and the case for relationship contracting
- An overview of the core clauses
- Option C: Target Cost contracting

Speakers:

Anne-Marie Friel, Partner at Pinsent Masons LLP

Ciaran McNamara, Partner at Pinsent Masons LLP

Catherine Burns, Senior Associate at Pinsent Masons LLP

Kaleigh Scales, Executive Main Contracting and Civil Engineering
